

Aprons for Orphans!

Your help spreads HOPE.

In honor of the gogos (grandmas) of Swaziland in Africa, who have donned their aprons and stepped up to help the orphans and at-risk children of their community, you are invited to "Aprons for Orphans."

This fun event for ladies will include silent and live auctions for cutie aprons, a variety of spectacular desserts, and other special items. We will also have \$1 raffle tickets, a trivia contest, and more. Bring a friend, and earn a chance for both of you to win a prize! Mark your calendars; you won't want to miss this fun and worthwhile event!

All proceeds go to Children's HopeChest for the Ludlati Carepoint Mission in Swaziland this September. This event is sponsored by Melanie Unzicker, Robin Rentschler, Jennifer Eisenmenger, Barbra King, and the KnownToMe.net community.
